The National Cadet Competition is an annual program to evaluate the best team of cadets represented at wing, region and national levels for drill teams and color guards. The NCC enables cadets to model traits of the highest standards of leadership and personal responsibility. The NCC encompasses the National Drill Team Competition and the National Color Guard Competition. Teams come from across America to compete to win the United States Air Force Chief of Staff Sweepstakes Trophy (given to the first place NDTC and NCGC winners), as well as other top awards.
